| Descripción           | The "Tramway Tours de Genève" invites you back to the past. Through its narrow streets and alleyways you will discover the old town and its 2000 years of closely guarded history. It was in Geneva, international capital, that the International Red Cross was founded as well as the league of Nations (U.N.).                                                                                                                                                                                                     |
| Duración del circuito | 35 min                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| Circuitos             | Departure at Quai des bergues, Place Bel-Air, the General Dufour equestrian statue, the University of Geneva, Le Mur des Réformateurs, Le Palais Eynard, Palais de l'Athénée, Le Palais de Justice, the Town Hall, Statue of Pictet de Rochemont, Bust of Henry-Dunant, House de Saussure, Place Grand-Mézel, Hôtel de Résident de France, At 9 rue Calvin, House Calvin, St-Pierre Cathedral, House Tavel, Ancien Arsenal, Baudet Tower, Musée Rath, Rue de la Corraterie, Grand-Théâtre, the Conservatory of Music. |
| Salida                | Quai des bergues                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
